

“So then I asked if they were going to review our follow-up binders *this year...*”

Give your sponsors what they want with SponsorshipPRO+...make the move from paper to digital without the help of an IT guy or a bank loan!

With SponsorshipPRO+ you can import photos, spreadsheets, radio and TV spots—even poster art— into customizable presentations that forge higher levels of accountability with your sponsors.

Meet the challenge of fulfillment

Recent research shows 83% of sponsorship sellers surveyed believe they should be doing a better job providing client fulfillment reports.* SponsorshipPRO+ provides a powerful advantage during the crucial wrap-up phase of your selling cycle.

Easy-to-use and affordable

SponsorshipPRO+ is an easy-to-use, innovative and affordable software program designed especially for the sponsorship industry. Its user-friendly design enables festivals, teams, agencies and events of all sizes to identify, organize and present essential marketing assets to sponsors.
