Convert Sponsorship Assets into Sales Assets

Sponsorship[™]
PRO+

SponsorshipPRO+ is an easy-to-use, innovative and affordable software tool designed especially for the sponsorship industry. It enables sponsorship sellers to identify, organize, archive and present essential marketing assets to sponsors in a dynamic format.

More than ever, the wrap-up phase of the selling cycle is crucial to fulfilling contracts, renewing packages and selling new sponsorships. Sponsors are demanding more follow-up and better metrics to demonstrate their return on investment. Now, SponsorshipPRO+ gives sellers the power to effectively increase client service and sponsorship value.

Get the SponsorshipPRO+ advantage.
